

# WHAT TO EXPECT DURING YOUR INITIAL STRATEGY SESSION

We're excited you're joining our growing network! Whether you're just signing up, or are scheduling your session now, here's what to expect from your initial strategy session:

## **Personalized Assessment**

Review your unique situation and goals.

## **Network Benefits Overview**

Learn how our network can aid your growth through live group coaching, and personalized guidance from HIPAA trained professionals.

## **Claims Path Roadmap**

Understand your tailored path to navigating the VA Disability Claims journey and maximizing all due benefits.

## **Action Plan**

Receive step-by-step instructions and guidance from your assigned coaching team to improve your VA Disability Claim success.

# Why You Shouldn't Miss This

- Tailored strategies to optimize your disability claims potential.
- Access to HIPAA compliant management to protect your privacy and records.
- Access to extensive document libraries & templates to support your claims.
- Expert insight from our Veteran Disability Coaches, Retirement experts and Administrative support.
- Access to trusted providers for Independent Medical Opinions & Nexus letters.

## Next Steps:

- If you haven't completed your initial paperwork, now is the time. Our team is on standby, waiting for your green light to support.
- If you've signed up, book your strategy session today!

## The Veteran Coach

We look forward to helping you get the benefits you deserve!  
Your service matters, so do YOU!
